

# TDS Full-Year Tuition and Fees — 2026-27

Our Full-Year classes run September through early May, but our tuition payments are condensed into 6 installments. Each payment is due at the beginning of the month, September through March with the exception of December. Tuition and fees can be paid manually online via your TDS “Dance Studio Pro” account or you can sign up for Auto-Pay so that your tuition and fees will run automatically at the beginning of each month. You can also pay by check, cash, or card in studio.

## CALCULATING TUITION

Tuition will be calculated for you and emailed with your class confirmation letter at the beginning of September once we are certain all classes are running. If you need us to calculate it for you sooner than the end of the summer, please email us. If your dancer is taking just one class, then your tuition payment is \$95 per 6 payments. If your dancer takes two classes, your payment would be \$185 per payment and so on. This would also be your tuition if you had two dancers taking one class each.

## MAXIMUM PAYMENT PROGRAM

For our students who want to take a variety of classes and for families with more than one dancer, we offer a discount through our “Maximum Payment Program.”

\* *One Dancer:* Maximum payment after 5 classes      \*\* *Family 2+ dancers:* Maximum Payment after 8 classes

Additional classes are **\$160 each for the year**, billed in September and due by end of October. This one time payment is non-refundable. Families enrolled in AutoPay can request via email to have the additional class payment run separately from September tuition payment if preferred.
