

TDS Tuition and Fees 2024-25

Our tuition is broken into 6 payments. Those payments are due at the beginning of the following months:

Payment 1: September, *Payment 2:* October, *Payment 3:* November

Payment 4: January, *Payment 5:* February, *Payment 6:* March

(Classes run September - early May but payments are condensed to be paid by March)

CALCULATING TUITION:

Tuition will be calculated for you and emailed with your class confirmation letter at the beginning of September.

Your first class would be the first line on the chart below. The second class would be the second line, and so forth. For instance, if your dancer takes two classes, your payment would be \$90 + \$85 = \$175 per payment. This would also be your tuition if you had two dancers taking one class each. There is a one time, non-refundable, \$25 registration fee per student per year.

	<u>Tuition</u>
1 st class	\$90
2 nd class	\$85
3 rd class	\$80
4 th class	\$75
5 th class*	\$70
6 th class	\$65
7 th class**	\$60

Maximum Payment Program:

For our students who want to take a variety of classes and for families with more than one dancer, we offer a discount through our "Maximum Payment Program."

* *One Dancer:* "Off the Chart" after 5 classes

** *Family 2+ dancers:* "Off the Chart" after 7 classes

Off the Chart: Additional classes are \$150 *for the year* and are due by the end of September. This tuition payment is non-refundable.

ADDITIONAL FEES:

Registration: A one-time fee of \$25 per dancer due at time of registration.

Late Payment: A \$15 fee is automatically added to tuition not paid by the 20th of each month that tuition is due. Returned checks or declined cards for any reason will be charged a \$25 fee.

Costumes: Due to increasing costs of costumes, shipping, and storage, we need to increase our costume fees slightly. We are still charging at cost or under what the costume companies are charging us and will use costumes that we have in our storage as much as possible for our older students. However, we do want to update our stored costumes gradually as well so our older students will be purchasing some of their costumes next year instead of only borrowing.

Costume fees will be billed in December and April. In December, any class that is keeping their costumes (all younger students, some older students) will be charged a \$50 deposit per class. If the class is borrowing a costume from our storage, there will be no deposit due in December. In April, the remaining costume fee of \$25 per class will be billed. For classes that are keeping their costume, this is the balance for a total of \$75 per costume. For classes that are borrowing their costume, this is a fee for storage and cleaning the costume.
